I would like some background organized by the locations.

Where we are located  
 Work planned  
 Work done

9719569

Etc

Need to know sampling schedule for SF sites. Need to expedite this. More staff if needed.

Need to know if we have any complaints from the public.

Capitol map if you want it, but if you ask for the Governor's Public Reception Room, you should be fine. It's closest to the main Capitol entrance facing downtown.
